The most we will pay under Public Relations coverage for loss arising from any one "computer attack" is the Public Relations Sublimit indicated for this endorsement. This sublimit is part of, and not in addition to, the Computer Attack Limit. If no sublimit is shown or is shown as Excluded on the SCHEDULE at the top of this endorsement, then the Public Relations coverage will be considered to have a sublimit of \$0.

The Computer Attack Limit is an annual aggregate limit. This amount is the most we will pay for the total of all loss covered under Section 1 arising out of all "computer attack" events which are first discovered by you during the present annual policy period. This limit applies regardless of the number of "computer attack" events occurring during that period.

A "computer attack" may be first discovered by you in one policy period but it may cause covered costs in one or more subsequent policy periods. If so, all covered costs arising from such "computer attack" will be subject to the Computer Attack Limit applicable to the policy period when the "computer attack" was first discovered by you.

#### **SECTION 1 - DEDUCTIBLE**

The Computer Attack coverage is subject to the Computer Attack Deductible indicated in the SCHEDULE for this endorsement. You shall be responsible for the applicable deductible amount as respects loss arising from each "computer attack" covered under this endorsement.

If no limit is shown or is shown as Excluded on the SCHEDULE at the top of this endorsement, then the Network Security Liability coverage will be considered to have a limit of \$0.

The Network Security Liability Limit is an annual aggregate limit. This amount is the most we will pay for the total of all loss covered under Section 2 (other than post-judgment interest) arising out of all "network security liability suits" of which you first receive notice during the present annual policy period or any Extended Reporting Periods. This limit applies regardless of the number of "network security liability suits" of which you first receive notice during that period.

You may first receive notice of a "network security liability suit" in one policy period but it may cause covered costs in one or more subsequent policy periods. If so, all covered costs arising from such "network security liability suit" (other than post-judgment interest) will be subject to the Network Security Liability Limit applicable to the policy period when notice of the "network security liability suit" was first received by you.

The Network Security Liability Limit for the Extended Reporting Periods (if applicable) shall be part of, and not in addition to, the Network Security Liability Limit for the immediately preceding policy period.
